"I want to represent the people of Sele ward on Hertford Town Council because I feel it is time for a change in the way local politics works. I can offer that change, a fresh and independent approach to decision making in Hertford"

VOTE Angela Emsley, Independent for Sele

Angela Emsley was born and raised in London and moved to Hertford in 2006. She is married with 2 adult children. In her leisure time Angela and her husband Brian enjoy walking and cycling around the local countryside and entertaining their grandchildren with visits to the parks situated on Bentley Road and the Ridgeway.

Since moving to the Sele area she has become involved in the community, enjoying the local amenities by attending dancing classes in the new community centre and at Sele School and attending events in the Castle grounds and surrounding villages.

Angela feels that the Castle is a great asset to the County town and she would like to have an active role in expanding the events on offer in future. She is eager to work with other Councillors and partners who are involved with Sele Ward and help to create a friendly and safe place for those that live and work here.

Hertford Town Council

Angela would like to be your town councillor because she would like to be part of the decision-making process for this town and help keep you informed as to how your money is being spent.

Angela is new to politics and has decided to stand as an **Independent** because she is fed up with the way politics is currently done. She wants to offer people a choice. She believes that local representatives are not open enough and do not inform the voter of the decisions they are making that affect the people of Hertford. She wants Town Council decisions to be more accessible to the public and easier to understand.

A vote for Angela will help ensure that the needs of local people are put first. As an **Independent** Angela is not tied to a party and will act purely in the best interests of Sele residents if elected. Angela aims to do this by being readily available to respond to you the voter and vows to dedicate time each week to deal with correspondence.

Most of all Angela wants to ensure you are getting value for money and are proud to live in Hertford.
